About

As a customer service guru turned front end developer, I decided to pivot and put my passion of organization, details, and continuing education towards my true love, the tech industry.

Skills

HTML | CSS | JavaScript | NodeJS | SQL

Git | GitHub | React | AngularJS | Trello

Slack | MailChimp | Constant Contact

Relevant Experience

Lilypad Solutions | Tampa, FL   **Sept 2017-Current**
Junior Front End Developer
- Develop new user-facing features of the Lilypad web application utilizing reusable, cross-browser compatible code with JavaScript and AngularJS in collaboration with back-end developers
- Manage remote developers to swiftly migrate AngularJS components to Angular2 while optimizing the application for maximum speed and scalability

The Iron Yard | Tampa/St. Petersburg, FL   **June 2017-Sept 2017**
The Iron Yard is a 12-week coding bootcamp specializing in highly focused, immersive training centered on language fluency, object-oriented programming, and project-based learning.
   Projects:
- **Recipe Search** - *Allows user to search for a food related term and returns a list of results.*
    - For each result, a thumbnail, a title, and a link will display. Upon click, the user will be directed to the recipe for that item.
    - Code: github.com/crystalrmcgowan/recipeSearch
- **Mystery Word -** *A classic game of hangman, without the man.*
    - A user is allowed 8 attempts to correctly guess the given word, represented with underscores. Once the user finishes the game, they are directed to a page with a 'You Win!' Or 'You Lose!' message.
    - Code: github.com/crystalrmcgowan/mysteryWord

Elements Massage | Portland, OR   **May 2016-May 2017**
Front Desk Coordinator
- Managed MINDBODY software for 300+ members to book appointments and sell retail services
- Utilized Google Docs to build a product/inventory system available to all front desk staff and constructed standards and procedures that all employees should adhere to

ReminderMedia | King of Prussia, PA   **Oct 2014-May 2016**
Marketing Advisor / Operations Liaison
- Collaborated with a small team to facilitate the intake and disbursement of data between Sales, Marketing, and Business Development, including managing the 'Live Chat' feature of our website
- Advised a growing client base of Realtors, Mortgage Lenders, Financial Advisors, and other professionals on their tangible marketing

Education

Polk State College | Winter Haven, FL   **Aug 2007-Dec 2008**
Including Intro to Computer Science class
